# SPORTS LIGHTER

STANDARD

## APPLICATIONS

The DTH-SPRT-600W high voltage Stadium Sport Light is the top of the line in both quality and price. With LUMILEDS LED chips and premium drivers (Sosen 200-480V), the fixture is warranted for 5 years. This 600W stadium light has no UV or IR in the beam and is easy to install and operate. The 600W produces 87,000 lumens which is equivalent to a 1200-1800W MH/HPS, and the narrow beam angle allows for further travel of the light.
