

Certified LED Lights®

Product Overview

This Motion Sensor Security Light is a durable rugged, waterproof, energy-efficient fixture. It has a wide detection range of up to 70ft and a 150° pattern. The adjustable design of this Security Light allows you to pivot each light head to the desired direction. It has two adjustable control switches available to meet your requirements. The Timer switch is adjustable from 5 seconds to 10 minutes after motion sensor is triggered. Then the sensitivity switch allows you to adjust the range the sensitivity of the sensor detect motion.

Main Features

- * Standard in 3000K color temperature
- * Long-life LEDs provide 50,000 hours of operation with at least 70% of initial lumen output (L70)
- * 3K Model is 110 LPW @ 2200 Lumens
- * Operates on 120 AC voltage (60Hz)
- * SMD2835 Chips
- * Power factor > 0.90
- * Color rendering index > 80
- * Die cast aluminum housing with durable, dark bronze powder coat paint. Light and finish endurance tested to withstand 3,000 hours of elevated ambient salt fog conditions as defined in ASTM Standard B 117
- * Glass lens is sealed and gasketed to prevent leaks
- * Easy installation in new construction or retrofit

Ordering Information

PART#	Color Temp	Lumens	Lumens /watt	Wattage
SL-102-20W-3K	3,000K	2,200	110	20

Warranty & Details

- * ETL Listed
- * cETLus listed for wet locations in ambient temperatures from -40°F to 122°F
- * Energy Star approved
- * Complies with RoHS (Restriction on Hazardous Substances) requirement
- * 5-year warranty on all electronics and housing
