

Certified LED Lights®

Product Data Sheet
Full Cutoff Wall Pack

Product Overview

Meet a smarter and more flexible wall pack engineered to meet the demands of modern exterior lighting applications. This wattage and kelvin selectable, full cutoff adjustable wall pack delivers exceptional versatility by allowing installers to easily customize both light output and color temperature in the field. Featuring adjustable tilt of up to 90 degrees, this series provides for a variety of applications for building perimeter, entrances, stairways and security lighting.

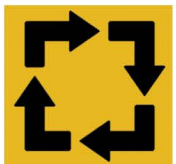

Designed for commercial and industrial environments, the full cutoff optic ensures precise, glare-free illumination while maintaining compliance with dark-sky and local lighting ordinances.

Combining energy-efficient performance, clean architectural appearance, and long-term reliability, this wall pack provides a future-ready solution that balances flexibility, efficiency, and visual comfort. This light come with a 5-yr warranty

Main Features

- * CCT selectable
- * Wattage selectable
- * Long-life LEDs provide 50,000 hours of operation
- * Lumens: 120 Lu/W
- * 0-10V dimming capability
- * Heavy-duty, spring-loaded hinge
- * Universal 120-277 AC voltage (50-60Hz) is standard
- * Power factor > 0.90
- * Beam angle: 65 x 95 degrees
- * Color rendering index > 80
- * Die cast aluminum housing with durable, dark bronze, powder coat paint. better cooling, light design
- * Tough, UV-resistant polycarbonate lens
- * Photocell control standard (easily bypassed if not required)
